Technology Management Seminar Series
Graduate Seminars – Fall 2013

Roadmapping with ETM Masters Students

Dr. Daim specializes in Technology Roadmapping and teaches at the graduate level at Department of Engineering and Technology Management at PSU.

During this one hour session, Dr. Daim will lead the ETM masters students through a hands-on roadmapping exercise.

Day: November 22, 2013
Time: 3:40 pm – 4:40 pm
Room: EB 102
1930 SW 4th Avenue
Portland, OR 97201

Tugrul Daim, Ph.D.
Associate Professor
Ph.D. Program Director at Department of Engineering and Technology Management, PSU

Prior to joining PSU, Tugrul Daim worked at Intel Corporation for over a decade in varying management roles. At Intel he managed product and technology development. He was granted funding to develop technology forecasting, roadmapping and adoption frameworks for agencies or organizations such as Bonneville Power Administration of US Dept of Energy or Energy Trust of Oregon. Dr. Daim is the Editor-in-Chief of International Journal of Innovation and Technology Management and North American Editor of Technological Forecasting and Social Change. He is also the Vice President and President Elect of Omega Rho, Honor Society of Operations Research and Management Science – honor society of INFORMS. He received his BS in Mechanical Engineering from Bogazici University in Turkey, MS in Mechanical Engineering from Lehigh University in Pennsylvania, MS in Engineering Management from Portland State University, and PhD in Systems Science: Engineering Management from Portland State University in Portland Oregon.
